

RZUT SZAFY

Technical drawing of a cabinet (RZUT SZAFY) showing a front view with dimensions. The drawing is a rectangle with internal vertical dividers. Dimensions are given in millimeters. The total width is 222.5 mm, divided into segments of 1.8, 65, 1.8, 63.9, 1.8, 86.5, and 1.8 mm. The total height is 45 mm, divided into segments of 1.8, 35.2, and 1.8 mm. A bottom flange has a width of 18.5 mm. The drawing is labeled with 'C' at the top center, 'A' at the bottom center, 'D' at the bottom left, and 'B' at the bottom right.

A diagram of a rectangle with dimensions 130 and 70. The rectangle is labeled with circled letters A, B, C, and D at its corners. Dimension lines indicate the length is 130 and the width is 70.

Technical drawings of the 'Kleiderschrank' (wardrobe) showing front and side views with dimensions in cm.

**Front View:**

- Overall width: 130 cm
- Overall height: 75 cm
- Top section height: 3.6 cm
- Section 1 height: 14.4 cm
- Section 2 height: 35 cm
- Section 3 height: 22 cm

**Side View:**

- Overall depth: 70 cm
- Overall height: 75 cm
- Top section height: 3.6 cm
- Section 1 height: 14.4 cm
- Section 2 height: 35 cm
- Section 3 height: 22 cm

Technical drawing of a cabinet showing two views: a front view and a side view.

**Front View:**

- Overall width: 222.5
- Overall height: 250
- The cabinet is divided into three vertical sections by two internal doors.
- Each of the three outer doors has a circular handle.

**Side View:**

- Overall depth: 45
- Overall height: 250
- The side view shows a single vertical panel representing the side of the cabinet.

## WNĘTRZE

Technical drawing of a building facade showing a grid of windows and doors. The drawing includes dimensions for the overall height (250) and width (10), and individual window dimensions (1.8, 37.5, 1.8, 39.6).

Technical drawing of a rectangular plate. The width is labeled as 45 and the height is labeled as 250. The drawing includes dimension lines and arrows indicating the measurements.

Technical drawing of a bookshelf showing three views: front, side, and elevation.

- Front View (Top Left):** A rectangle with a width of 60 cm (labeled A) and a height of 40 cm (labeled D).
- Side View (Bottom Left):** A rectangle with a width of 60 cm (labeled B) and a height of 40 cm (labeled C).
- Elevation View (Right):** A side view of the bookshelf showing its height and internal structure. The total height is 90 cm. The base is 82 cm wide. The top section is 36.4 cm wide. The internal shelves are 18.7 cm high, and the gaps between them are 17.8 cm. The top edge has a 1.8 cm overhang.

Technical drawing of a rectangular plate. The overall dimensions are 90 (height) and 60 (width). A hole is located in the upper right quadrant. The hole has a diameter of 21. The distance from the top edge to the center of the hole is 23.8. The distance from the right edge to the center of the hole is 1.8. The distance from the bottom edge to the center of the hole is 78.2. The distance from the left edge to the center of the hole is 10.

Technical drawing of a door frame showing dimensions: 90, 10, 78.2, 1.8, and 40.

Technical drawing of a rectangular plate with dimensions: width 60, height 100, and a central rectangular cutout with width 56.4 and height 80. The cutout is offset 1.8 from the top and bottom edges.

Technical drawing of a door. The width is labeled as 40 and the height is labeled as 90. The door has a handle on the right side.

Technical drawing of a three-drawer cabinet. The overall width is 36.4. The overall height is 65.1, composed of a top section of 17.3 and three drawer sections of 15.3 each. The top section has a height of 1.8. Each drawer has a height of 1.8. The cabinet has a top panel and four legs.

Technical drawing of a three-drawer cabinet. The overall height is 60, and the overall width is 40. The cabinet has three drawers, each with a height of 18. The distance between the drawers is 51.4. The bottom of the cabinet is 18 units above the ground. The drawers have small handles.

A diagram of a rectangular table. The height is labeled as 60 and the width is labeled as 40. The table is shown from a side-on perspective, with its legs visible at the bottom.

A diagram of a rectangular box. The width is labeled as 45 and the height is labeled as 60. The box is shown from a front perspective, with a horizontal line at the bottom representing the ground. There are small vertical lines on the right side of the box, possibly representing hinges or handles.
